BEAUTY

01

CBD WHITENING SERUMIZER

Tocotrienol, a super-vitamin E, is highly effective in combating free radicals and offers numerous benefits for the skin, including reducing signs of aging, improving skin elasticity and minimizing dark spots and blemishes.

Suggested use :

Apply serum on a thoroughly cleansed face. Gently Pat the product onto the skin by using it as a treatment for acne-prone skin. Let the serum absorb into the skin. Apply on the face 1 - 2 times a day.

Nano CBD

"THE ULTIMATE SOLUTION

FOR ACNE-FREE, AGELESS SKIN"

CBD WHITENING MASK

Natural vitamin complexes with hyaluronic acid and niacinamide promote hydrated, youthful-looking skin while reducing fine lines, hyperpigmentation and dark spots.

Suggested use :

Peel off the film and place the mask on your face. Then peel off the film from the other side. Wait for 10-15 minutes and gently tap the mask for the product to absorb into the skin without rinsing.

HYDRATE, REJUVENATE

FOR LUMINOSITY

ULTRA CREAM

Tocotrienol, a super form of vitamin E, is highly effective in fighting free radicals. It nourishes and hydrates the skin, reduces wrinkles, and protects against aging. It works in synergy with other super vitamins to promote collagen production and retain moisture in the skin.

Suggested use :
Apply the product to the face twice a day.

REVEAL ULTRA SILKY SKIN

CBD SLEEPING MASK

Tocotrienol, a super vitamin E, is 60 times more effective in combating free radicals than regular vitamin E. It nourishes and hydrates the skin with the addition of peptides to help reduce signs of aging and restore bounce and youthfulness.

Suggested use :
Apply the sleeping mask evenly over the entire face and leave it overnight without rinsing.

FREEZE AGING
AND UNLOCK BEAUTIFUL SKIN OVERNIGHT

CBD AMPOULE SERUM

Prevent premature aging, restore skin radiance, and promote soft and hydrated skin. Enhance skin's moisture retention, combat free radicals, stimulate collagen production and reduce inflammation and acne. The Result is resilient and healthy skin.

Suggested use :

Apply the product to the face twice a day.

ILLUMINATE YOUR AURA,
WITH A MESMERIZING GLOW.

CBD MINERAL SUN SPRAY

French natural mineral water cools, hydrates, reduces inflammation and protects skin against premature aging. It contains UVA and UVB sunscreen to protect from sun damage and minimize signs of aging. Regular use lowers the risk of skin cancer.

Suggested use :

Shake the bottle before use.
Spray at a distance of 10-15 centimeters from the skin, preferably 15-30 minutes before sun exposure.

DEFY THE SUN'S HARMFUL RAYS

AND EMBRACE HEALTHY, RADIANT SKIN.

HAIR TONIC

3 herbal extracts: Monkey Jack extract prevents hair loss, CBD extract balances the scalp and promotes healthy hair and sunflower seed extract helps to reduce further hair loss.

Suggested use :

Apply CBD HAIR TONIC to dry or damp scalp and roots. Massage gently for strong, healthy hair. Use after the morning shower and before bedtime.

Suitable for :

those looking to increase hair and scalp strength and reduce hair fall.
