CBD AMPOULE SERUM

A lightweight hydrating ampoule formulated with all natural arisaema extract, alpha arbutin together with vitamins, antioxidants and peptides to brighten and even the skin tone, lighten freckles and dark spots while providing the skin with nourishment and protection.

Suggested use :

Apply the product to the face twice a day.

Suitable :

All skin types

ILLUMINATE YOUR AURA,

WITH A MESMERIZING GLOW.

WHITENING SERUM MASK

Our Earth Lab Whitening Serum Mask deeply hydrates and nourishes while enhancing your skin's natural glow. This potent formula, infused with Alpha Arbutin, Niacinamide, and Vitamin C, works to reveal a luminous, even-toned complexion.

Alpha Arbutin: Naturally fades dark spots, hyperpigmentation, and uneven skin tone.

Niacinamide (Vitamin B3): Minimizes pores, reduces redness, and improves overall skin texture while supporting a healthy skin barrier.

Vitamin C: Brightens, boosts collagen production, and protects against environmental damage with its powerful antioxidant properties.

Suggested use :

After cleansing and drying your face, apply the mask and adjust it to fit comfortably. Leave it on for 15 minutes, then remove and gently massage any remaining serum into your skin

Suitable :

Perfect for all skin types, even sensitive skin.

Experience visibly brighter, more radiant skin in just 15 minutes. The Earth Lab Whitening Serum Mask is your key to a flawless, luminous glow.

UNVEIL YOUR SKIN'S NATURAL RADIANCE

CBD **WHITENING** **MASK**

CBD Whitening Mask is a facial sheet mask enriched with CBD and antioxidants to provide long-lasting hydration, radiance and bounce to the skin.

Suggested use :

Remove thick white separator, then separate the thin film attached to the sheet mask and adjust it to your face. Leave on for at least 15 minutes for maximum hydration without rinsing.

Suitable :

For all skin types in need of hydration, radiance and skin calming effects, including sensitive and acne prone skin.

HYDRATE, REJUVENATE

FOR LUMINOSITY

CBD SERUMIZER
